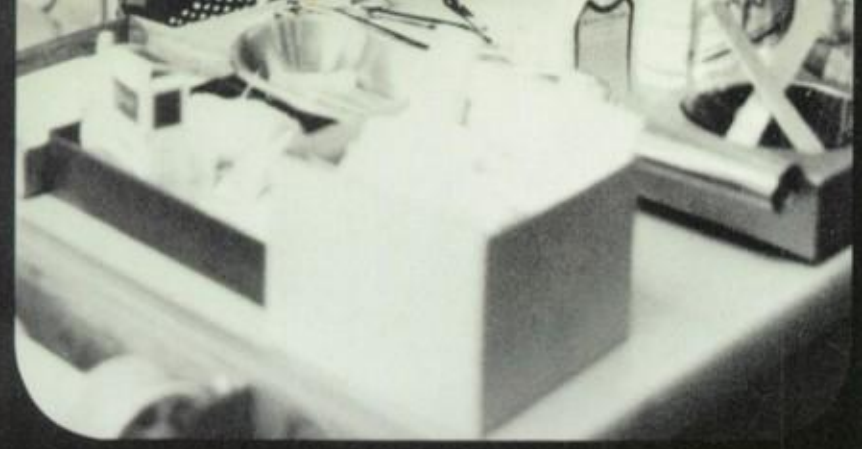
Curriculum



Vignette: 1974

While looking for a movie title that would best express the makings of "Vignette 1974", I ran across such titles as "Deadline at Dawn", "Frantic", "This is my Life", and "Don't Give up the Ship". Each gave a basic idea of the problems one encounters while assembling a yearbook, but none quite grasped all of the aspects of it.

What I discovered from my search was that yearbooks, along with everything else in the world, are a matter of taste. I could have selected a title that expressed my feelings towards this yearbook, but it wouldn't express what it means to each of you. *You* are the "stars" of this production. We of the staff simply spliced and edited. So, title it what you will. You may want to call it simply "the yearbook" or you may prefer various profanities. Whatever — I hope the book visualizes some of your feelings as a student here at West.

Thanks are extended to the people who put the book together: Mr. Joseph Sebes, Simone Pacilio, Rob Tucher, Sandy Jenstrom, Amy Miller, Claudia Levin, Mark Snyder, and many others (you too, twomore).

"Loneliness of the Long Distance Runner"

There is a disturbing belief widely held by the sporting world today that a team can only be judged on its won-loss record, and if this is true then the 1973-74 Cross-Country team could only be called mediocre at best with a 6 and 7 ledger. However, victories and defeats do not always tell the full story.

Now I know you, the reader, are probably saying to yourself, "here it comes again — the old sob story about injuries and tough schedules. They're only looking for excuses." Well, I'm not going to give you excuses just plain hard facts.

Fact: Out of the original four returning lettermen (a death for many other teams), two Ken Shaw and Dave Day, were injured quite seriously before even a third of the season had gone by. Thus, all the responsibility fell upon the shoulders of Mike Andusko (one of the tri-captains along with Shaw and Day), and Dave Sherman. Behind them were only two juniors, Geoff Woods and Rob Bartolanzo, sophomores Jim and Mike Lecher along with Mark Pennington and freshmen Dave Connor and Paul Taylor.

During the season there were some close victories like the defeat of Somerville by one point, and a close one with Piscataway. On the other side were wipeout losses to Ridge and arch-rival East. The future of the team appears bright because the freshmen team took both the mid-state and the County meets with Dave Connor taking first place in both events, and Paul Taylor taking a second and third respectively.

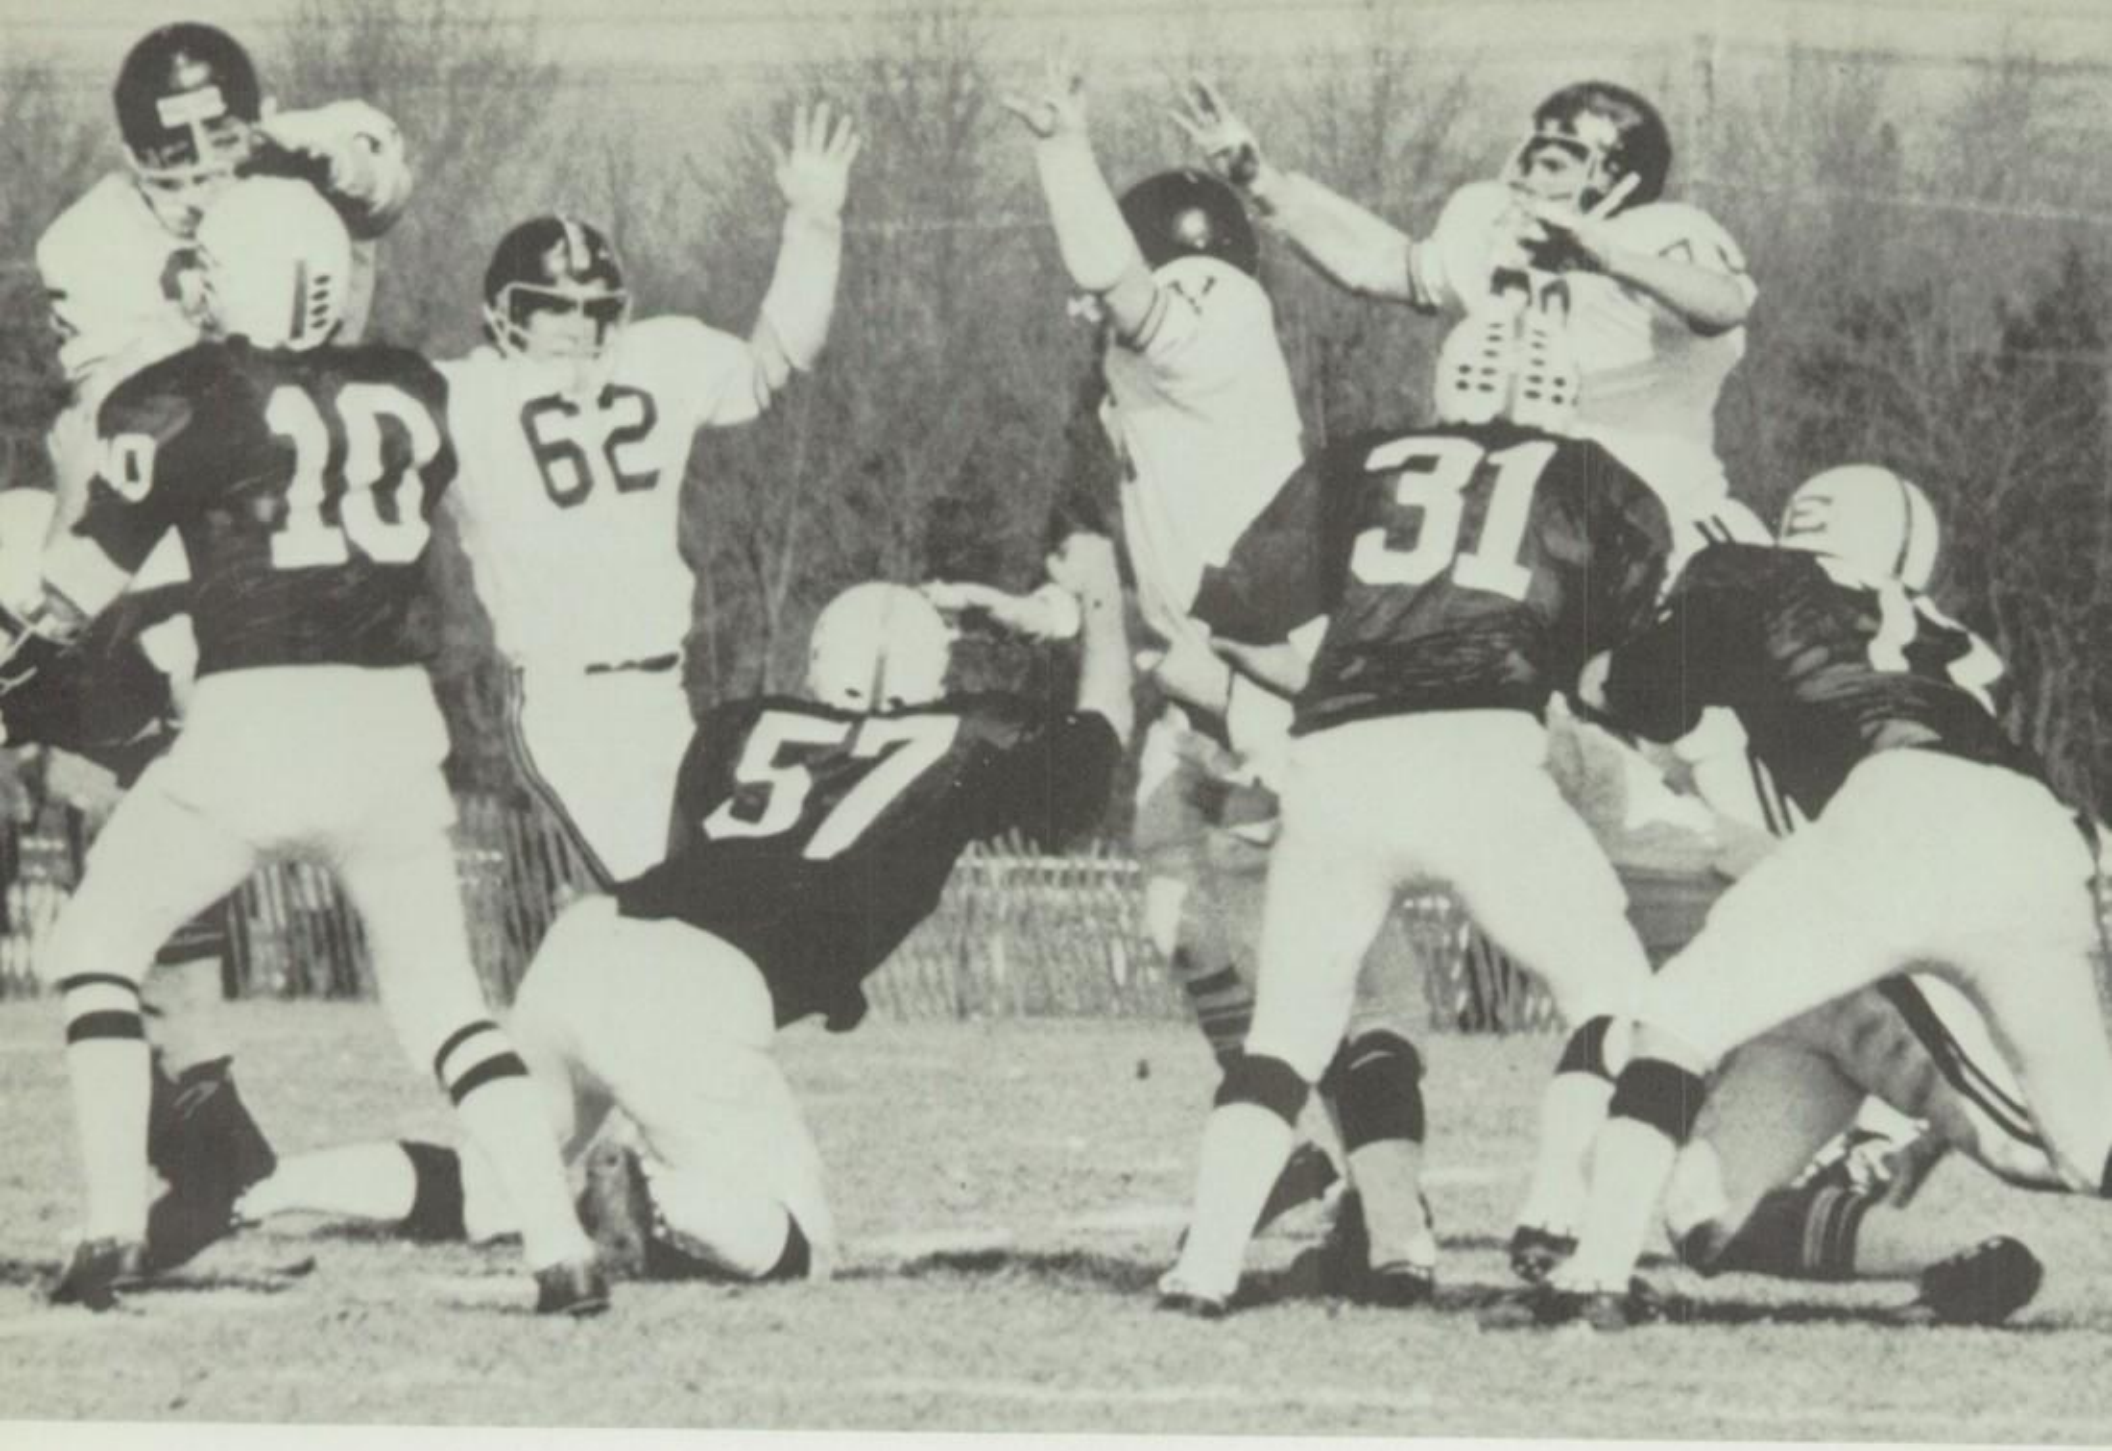
"The Lion in Winter"

The 1973 football season marked the end of a successful career dedicated to football with the resignation of head football coach, Chuck Nelson. Although his final season was not a winning one, it is one that he can be proud of because the team gave all it had the whole season. Coach Nelson will always remember it for its dedication and desire.

The season record of 2-7 was not a fair indication of the year the team had. The Falcons lost four games by seven points or less. The highlight of the season was a victory over rival Somerville. The win snapped the five year Somerville dominance over West squads. The other West win came against Princeton.

Making first team all-county defense was Mike Hann, one of the four elected team captains along with Bob Davis, Rich Martorano, and Bob Kolodinsky. All four completed their last successful campaigns for the Eest gridders. Other seniors who contributed equally well were Bill Miller, Mike Derzack, Dave Chippendale, and Rich Christensen. Contributing to this year's team and also returning next year are John Reindel, Clarc Hudec, Neil Martin, and Joe Modzelefski.



70

"The Fantastiks"

Coach Baranowski's Girls' Varsity Field Hockey Team started their season with an almost completely new, strong forward line containing only two returning Varsity women, Roseanne Palermo, and Jeanne Kotula. The other three girls that made up the forward line were new to the game. The impressive play of Debbie Baldwin, Regina Alonzo, and Sue Fink helped considerably this years forward line.

The defense was compiled of a number of returning letter-women; halfbacks Paula deSherbinin and Nancy Gunzelman, fullbacks Sarah Bissell and Sandy Yohn and goalie Karen Bohnhorst.

The team's first performance led a winning streak which continued until an unfortunate defeat to Ridge and then another State Tournament loss to Delaware Valley. Their successful season was compiled of a record of 11-2-1. They also won the title of "Mid-State Champs".

WEST

"Farewell to Arms"

The West Soccer Team did not repeat as Mid-State Champions this year, however; it actually had a better season all around.

The first big win came over North Plainfield, 2-0. This started a five game winning streak. The streak was interrupted by a loss to East, 2-1. After this defeat the team's determination rose again and they went on winning. When the season was coming to a close and Mid-State Champions were decided, the team was in a tie for first place with North Plainfield. After a long hard playoff game, they came out second in the conference.

The team had two other state championship games, one against Moorestown and the other against Long Branch. They had won both with shutouts and now it was time to meet Howell Township, the defending champions. It was a quarter final state tournament game. The game ended with the score 4-2 in their favor.

So ended their season. Their win-loss record for their regular season was 11-4-1 and for the over all season 13-6-1 which is better than last year's record. The team lost a few key games that would have given them the Mid-States.

EST

"The High and the Mighty"

"The best basketball team in ten years." This is what Coach Joe Fischer calls the '73-'74 West team. After a collapse during the Christmas tournament, the team came back to win 13 out of the remaining 15 games and win a State Tournament game to finish the season with an impressive 17-5 record and the Mid-State Conference championship. They were also recognized as the best team in Somerset County by the Star-Ledger newspaper. Included among West's victories was the win against Hunterdon Central, who concluded their season at 25-2, the other loss coming in the State Tournament. Big wins included double victories over rivals East and South Plainfield and single victories over Somerville and Union. At the end of the season the Mid-State Conference coaches voted for the All-star conference teams, and by no means was West left out. Seniors Bob Kolodinsky and Stan Waitokowich were voted to the first team, junior Jim Pryor to the second, and senior Gary Randall was an honorable mention.

"The Agony and The Ecstacy"

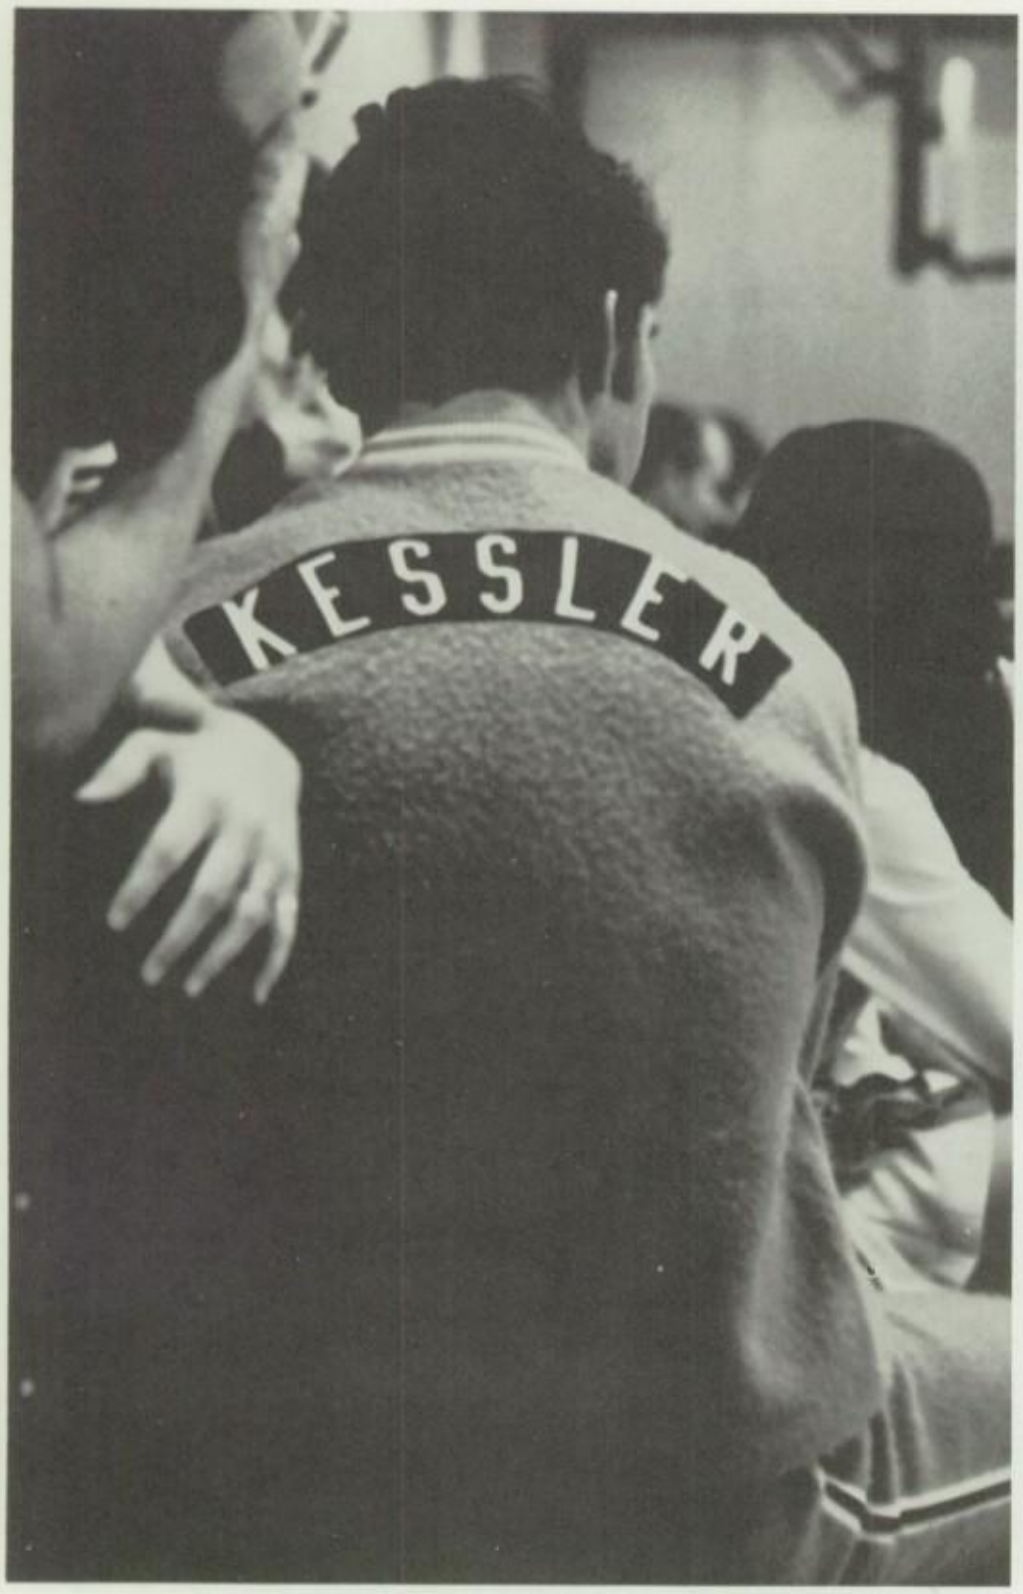
The West Wrestlers had quite a season this year proving to be a major power in area wrestling. They suffered only a single defeat to Hunterdon Central and then went on to win 10 matches against such opponents as South Plainfiels, Ridge and Somerville to wind up the season with a record of 10-2.

West was the victor at the Christmas Tournament which featured triple victories by returning district champions Jeff Mase, Ernie VanNess, and Timmy Hinlicky while Bob Grimm, Gary Bernabek, and Joe Kuzio took second place.

In addition to these wrestlers, the team was strengthened by Rich Reich, and John Ward in the lower weight classes and Steve Changaris, Gary Chandler, Dave Chippendale, and Keith Kessler in the higher weight divisions.

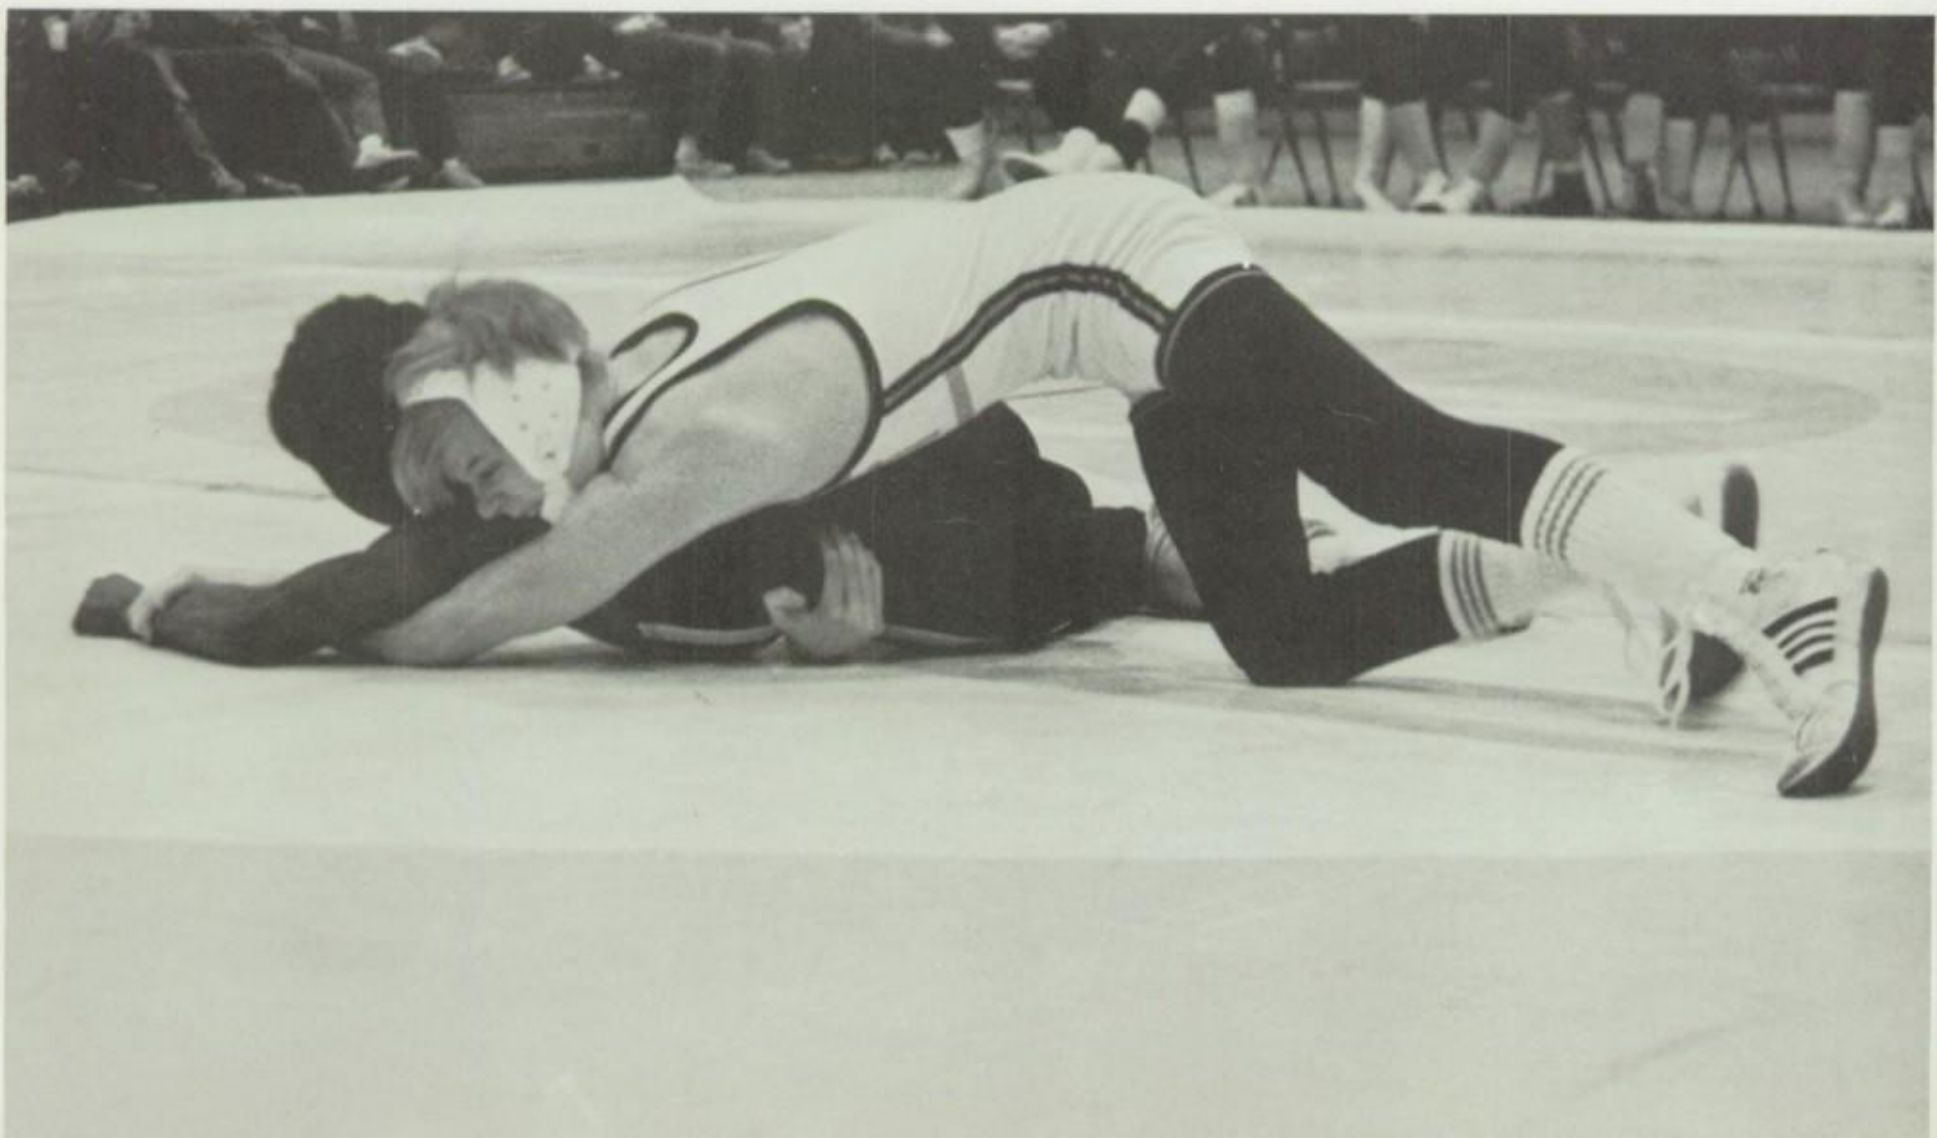
This year for the first time since 1958, three West Wrestlers made the State Wrestling Tournament. They were Jeff Mase, Ernie VanNess, and Tim Hinlickly. A fantastic performance by junior Jeff Mase a high hopeful for the state tournament next year, earned the title of district champ and regional runner-up. Senior Tim Hinlicky surpassed his last year's achievement as District champ by becoming Regional Champ, placing fourth in the state.

A new page in West's history was written when Ernie VanNess became West,s first State Wrestling Champion.



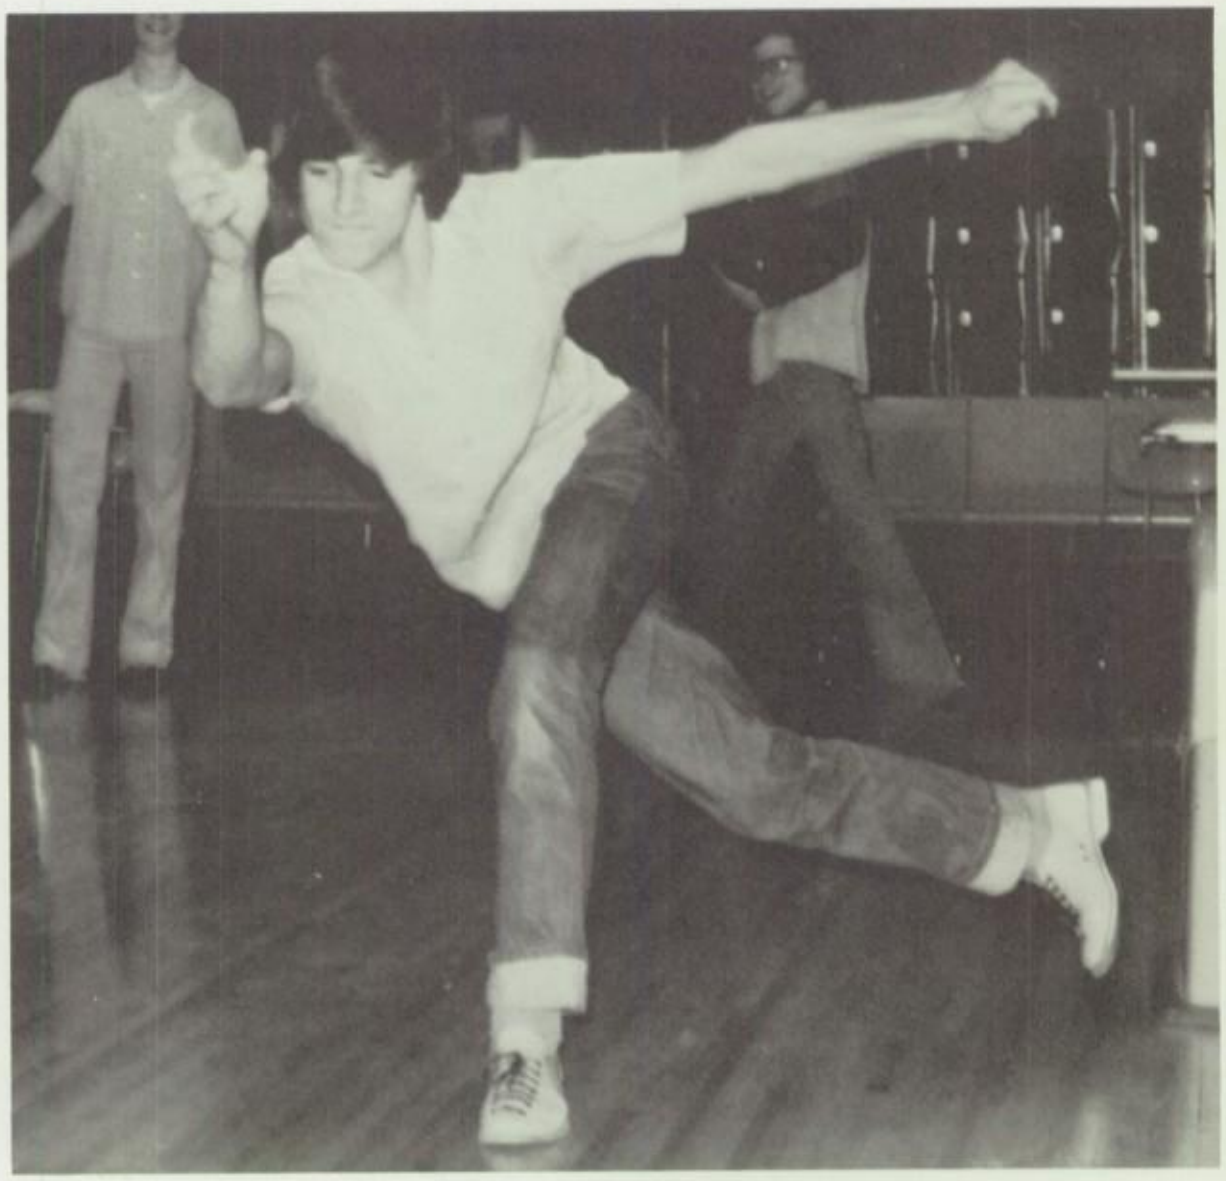
KESSLER

GOLDEN
FALCONS



"Let the Good Times Roll"

This year's Varsity Bowling Team was not expected to do that well because they had only 2 out of a possible 6 returning lettermen. Captain Mark Seiffert and Kevin Wendell again had excellent seasons. Newcomers Stu Campbell, Frank Reed, and John Seiffert helped contribute to one of the finest seasons ever. Their record was 8 and 2 and they finished a respectable 12th in the Union County Tournament defeating East and Somerville.

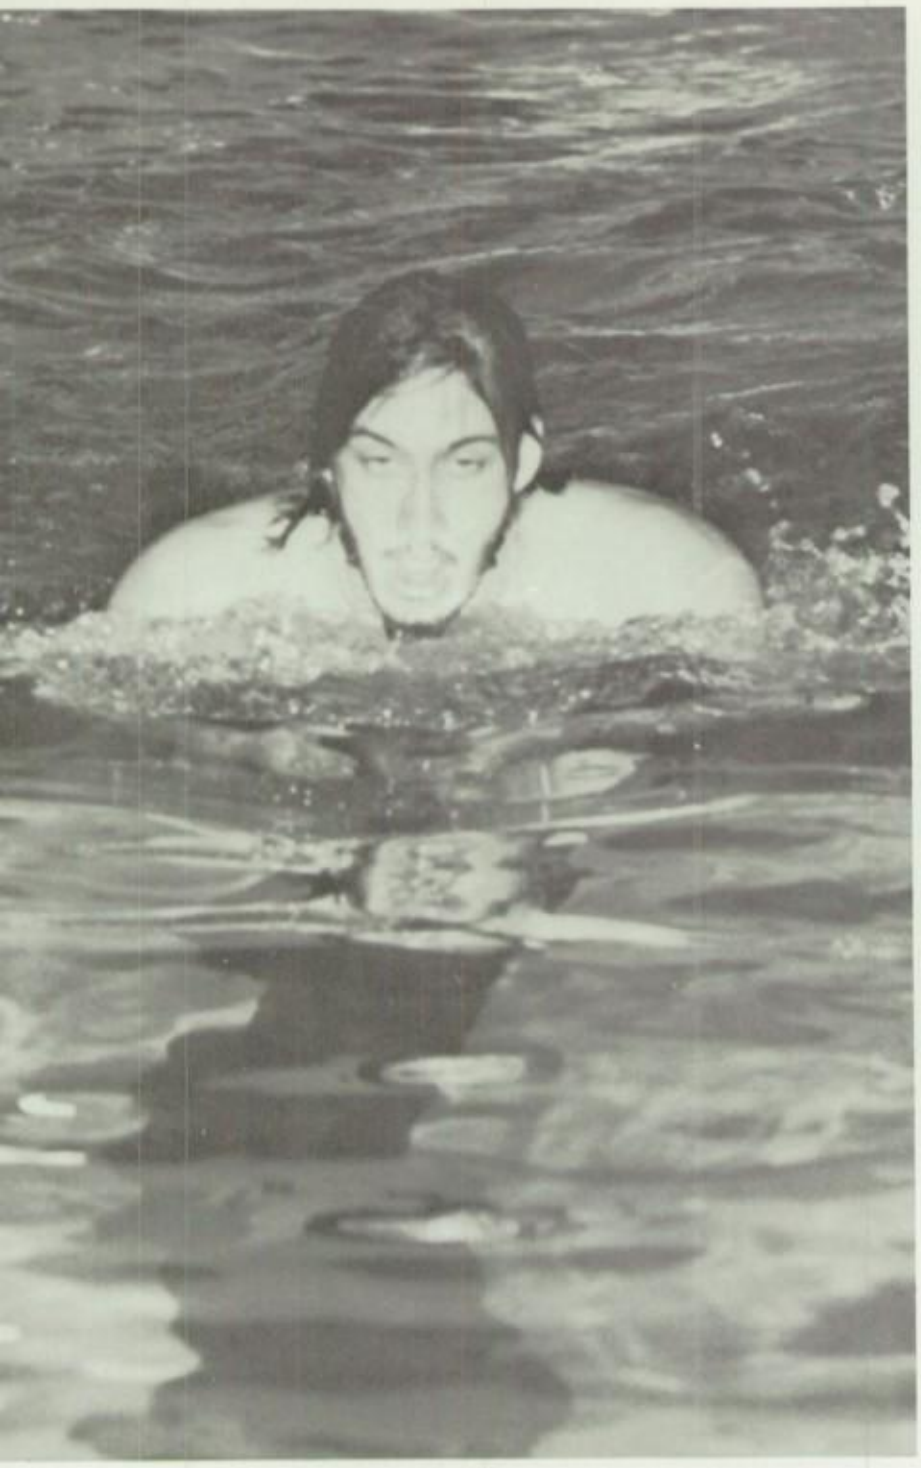


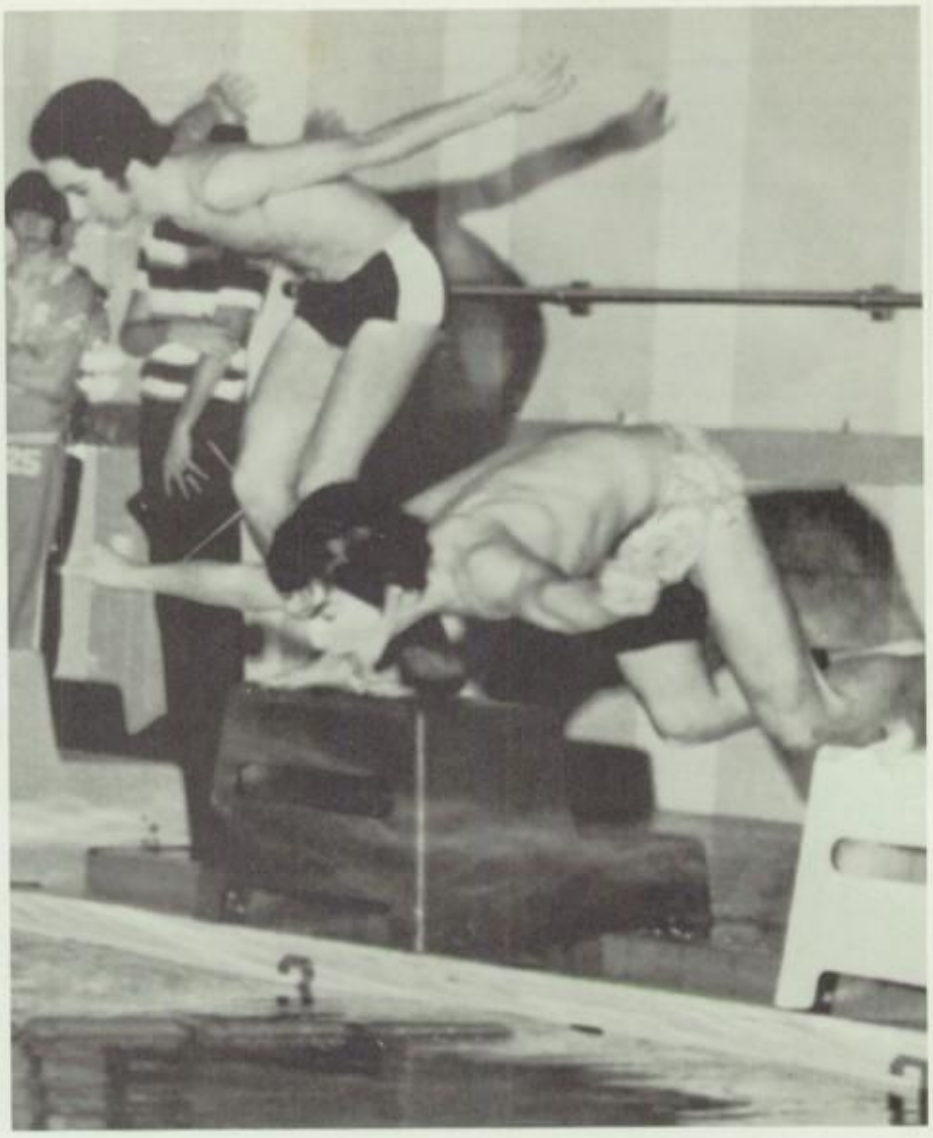
"Day of the Dolphin"

The 1973-1974 swimming season produced sparkling triumph as well as agonizing defeat. The Golden Falcons suffered a close loss to Watchung Hills early in the season. This would have demoralized most teams, but West bounced back with a convincing victory in the return match. The regular dual meet season ended with a 13-1 record. But both Watchung Hills and West were tied 7-1 for the Mid-State Conference Championship. At the swim-off match in Plainfield's "neutral" pool, Watchung squeezed by on a split judges' decision to capture the conference title.

However, West did retain its Somerset County crown by downing all entrants in this year's championship meet. The Golden Falcons finished 23½ points ahead of second place Watchung Hills. West was sparked by double winner Brent Gara who set a new county backstroke record, and triple victor Jeff Perry, who smashed both the individual medley and butterfly county marks. Brent joined Rob Tucher, Craig Lange, and Bill Miller to capture the opening medley relay while Jeff teamed up with Rich Russ, Doug Baldwin, and Dan Johnston to win the final freestyle relay.

No less than eleven school records were broken during the season. The 160 and 200 yard medley relay times were lowered to 1:48.4 and 1:27.7 respectively by Brent Gara, Rob Tucher, Craig Lange and Jeff Perry. The 400 yard freestyle relay was reduced to 3:36.5 by Bill Miller, Doug Baldwin, Dan Johnston, and Jeff Perry. Brent Gara broke the 100 yard backstroke record. Jeff "Buzz" Perry established an unprecedented seven individual records: the 50, 100, 200, and 500 yard freestyle events; the 160 and 200 yard individual medley; and his specialty, the 100 yard butterfly stroke with a time of 55.4. Jeff was also West's first triple winner in the state meet.





"Fantasia"

The sports lime-light was broken by a new team at West in the form of the Girls Gymnastic Team.

The new squad was comprised of a young but ambitious group of individuals who displayed high potentials despite their 3-4 record.

Such exceptional performances by freshman Cheryl Smith on the floor exercises, sophomores Connie Wykoff on the uneven parallel bars, Eileen Buckley on the vaulting, and Karen Koes on the beam, gives coach, Miss Chollet high hopes for next years team.

The Girls' Varsity Basketball team coached by Miss Baranowski can attribute its success to its players such as seniors Marilou Case, Sandy Yohn, Karen Bohnhorst, and Nancy Gunzelman along with juniors Debbie Buhl and Annmarie Frezza.

Starting off their season with a big win against Piscataway the team made it a hard game for every team they met. They ended their season with a record of 7 wins and 8 losses. Highlights of the season were the victory over East and over Somerville at the end of the season.

"High Society"

The Dirty Dozen

Intramural football was hard fought this year with some of the best teams that we've ever had. Fred's Flintstones ended up as the best in the league, overpowering every foe with reckless Abandon. Our top player in both ability and hustle was Bob Watson.

Intramural bowling continued to be the most popular intramural sport in the school Over one hundred boys came out week after week for 13 sessions. Team #1 was the best in the lot. Teachers had also entered the league and gave the students some stiff competition.

BOARD OF EDUCATION — SEATED (L - R): Vincent Olivo, Audrey DiHman, Harold Cornell, Daisy Horn. STANDING: Richard Hall, Dr. Emmet F McWilliams, Eugene Fuchs, Peter Mazurak, Morton Isaacs, William Poleselli.

In jest it has been said that one needed a scorecard to keep track of West's administrators during the 1973-74 school year. When the school year began, the Administrative Assistant was Miss Mary Zsuffa; the new Assistant Principal was Mr. Ronald Gardner, a transfer from East; Miss Mary Elizabeth Connors was Vice-Principal; and Dr. Thomas Bradshaw was Principal. Then, Dr. Bradshaw left to take a job in another school district. Miss Connors replaced him on a temporary and then a permanent basis. Mr. Gardner filled the vacancy she left, while Miss Zsuffa filled the vacancy he left, and newcomer, Mr. Kenneth Villani, became Administrative Assistant in Miss Zsuffa's place.

Business Education

Profitable to both college-bound and business-directed students, the courses that the Business Department offers are available in both advanced and beginning levels.

The mastery of the keyboard is the goal sought in Vocational and Personal Typing. For students interested in studying secretarial work, Data Processing, Stenography, and Secretarial Practice are offered. The Business student may refine his business acumen through Economics and various levels of Bookkeeping.

Of course, one vital skill stressed in Business Education is learning to use the machinery involved with proficiency. Each course stresses the mechanics and care of office machinery.

English

Having to cater to all of the different types of students at High School West, the English Department has a wide range of courses from which the individual can select.

The freshman and sophomore years of the English program provide a solid foundation teaching the students writing skills and reading comprehension. From these, hopefully, they discover their needs and interests.

The elective courses emphasize the structure and the use of the English language; the concepts of human nature as they have been portrayed in American, English, and world literature; and, the framework for concise, clear, and meaningful writing. To learn these and to apply them is to begin to understand mankind. Media communications surround mankind. So, the English Department offers courses to learn about the use of films, tapes, and slides as creative tools.

Because each artist has one or two media which he prefers, the Art Department offers an elective program which lets each art student decide which technique he would like to study in depth.

Prerequisite to these electives, Art I, a course which teaches the basic principles of design, color, and composition.

After Art I, the student may go on to Art II, which offers an opportunity for the student to further develop his artistic abilities; or, if the student prefers, Painting and Drawing, Crafts, Sculpture, Design, Ceramics, and Printmaking are the electives from which he may select.

Industrial Arts

John Mikush

Keith Charlesworth

The Industrial Arts Department offers a wide range of courses that enable both academic and vocational students to learn practical skills.

Electronics, Mechanics, Drafting, and Metal Shop give the students the opportunity to make use of tools, materials, and the industrial process.

An outstanding feature of the Industrial Arts Department is Cooperative Industrial Education. Reserved for seniors, this program provides occupational training and experience that is not usually available in school. Students in this program attend classes in the morning and are employed in a specific occupation in the afternoon.

Foreign Language

The Foreign Language Department teaches the basic principles and an introduction to the culture of the French-, German-, and Spanish- speaking peoples through magazines, foreign foods, slides, films, and trips to points of cultural interest.

Since it is important to hear native speakers in order to improve one's "accent," the language lab facilitates practice in speaking a language with tapes and records. Some school sponsored field trips to countries where the languages are spoken have also been arranged for during the spring vacation.

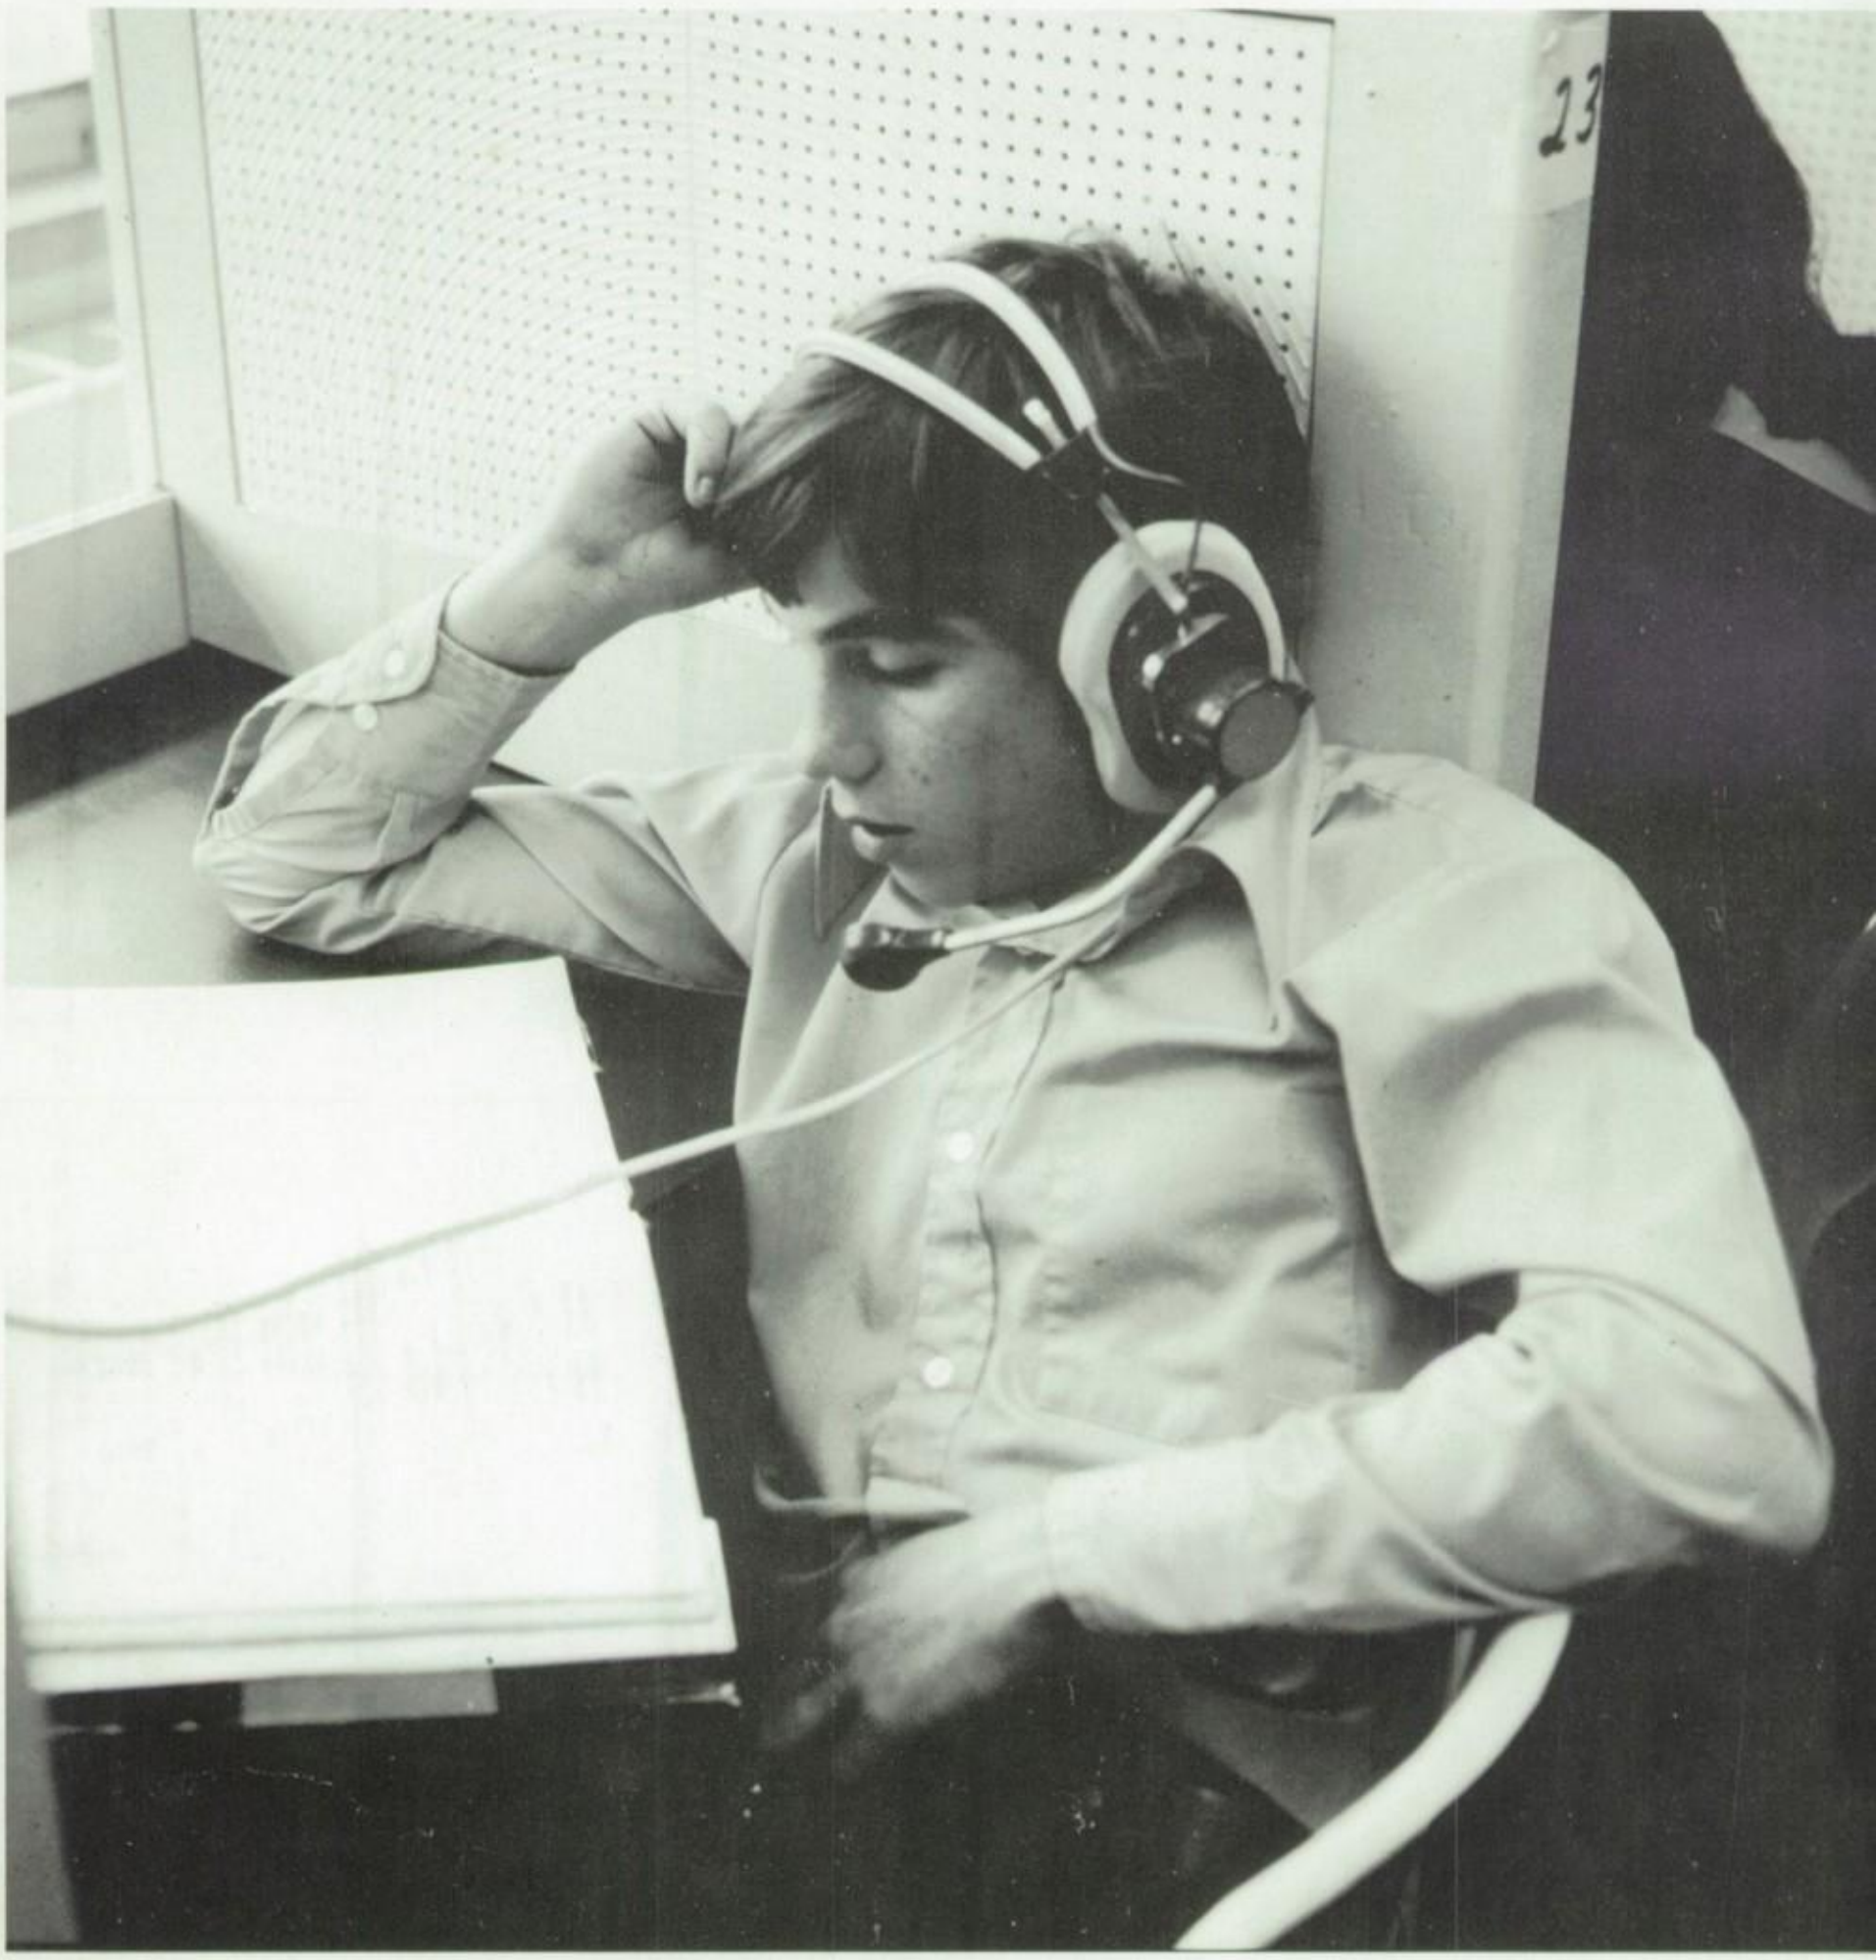
Albert Weaver



Music

Many outstanding concerts and performances by the choir, band, and orchestra show that these organizations deserve their reputation of excellence.

In the Choir Class, participants learn the elements of choral singing and vocal production. The band's studies center around standard, modern, and popular band literature which gives them their wide repertoire for parades, half-time performances, and concerts. The orchestra prepares to perform at concerts, plays, and other special programs.

Members of the Music Department are also involved in extra activities such as dance band, ensembles, and various singing groups.

The Mathematics Department strives to 1) have students attain an understanding of the spirit, method, and content of mathematics and its contributions to our ever-changing technological society, 2) promote growth in pupil progress toward mastery in mathematical skills, concepts, and principles, and 3) guide each student through a mathematical program which is suited for success in future occupational, collegiate, business, and individual endeavors.

The Science Department teaches the student to reach correct conclusions by logical and accurate reasoning and to develop critical and creative thinking. Stressed also are the appreciations of scientific contributions to human progress and our modern civilization and the cultural and vocational values of Science.

Social Studies

The ultimate goal of the Social Studies Department is to aid the student to reach an awareness of the world around him and to establish his own point of view.

The required courses study the effect relationships which have determined the course of history. In addition to these basic courses are a series of electives which gives each student an opportunity to choose topics of interest to him. These electives are studies in foreign nations, law, environment, psychology, sociology, economics, and international relations.

For students interested in exploring the fields of today's family living, the Home Economics Department has many courses ranging from cooking and clothing construction to the study of the social roles of men and women.

Home

Economics

Physical Education

Some of the areas which are the focus of learning in the Physical Education Department are the mental, emotional, and social as well as the physical well-being of the individual. The physical aspect of the program teaches team and individual activities based on the interests, needs and capacities of the student. The Health program teaches Personal Hygiene the freshman year, First Aid the sophomore year, Driver's Education for the junior, and Family Learning the senior year.

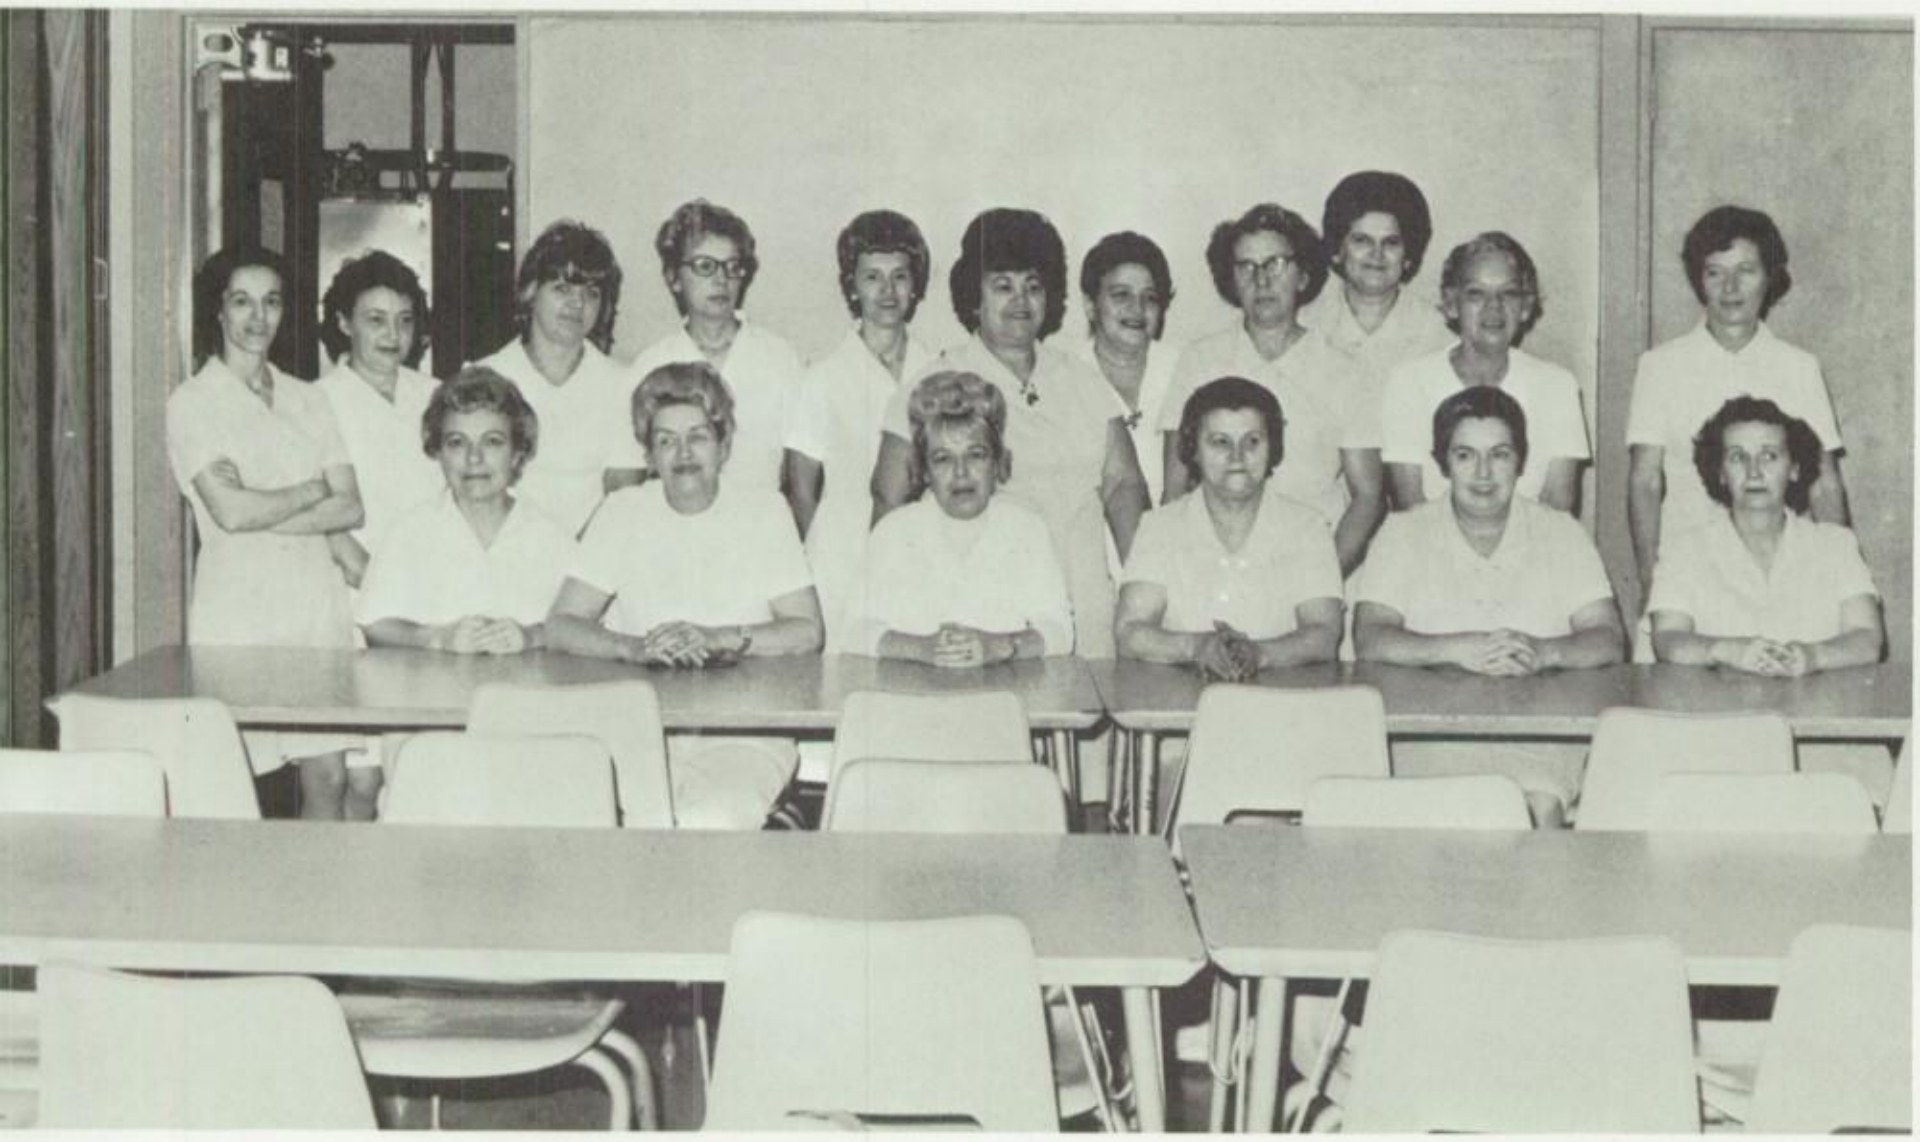
Custodial Staff

Nutritional Staff



It is for us to pray

not for tasks equal to our powers,

but for powers equal to our tasks,

to go forward with a great desire

forever beating at the door of our hearts

as we travel towards our distant goal.

Helen Adams Keller

Mr. and Mrs. Belizzone
Mr. Murphy's classes
Homeroom 307: first to give full support to the Campus Courrier; first in the senior canned food drive; first to show its big loving heart on February 14, Wishes good luck, health and success to all the members of the Great Class of '74.
Period 3: Mr. Murphy's 3rd period class, will never be forgotten. Some people say it was a blast, others say it was rotten. But altogether, you must admit. If there was a best, we were it.
There was a young teacher from Boston.
His car an American Auston.
He taught period 3, just before CIE,
Gave Luigis some notes, but he lost em.
KB-GB-CB-PB-LC-LC-MD-SE-BF-DF
JG-MH-KH-PJ-JJ-LK-TK-LL-ML-MM
PM-BJ-LN-TS-AS-DT-SW-LW-BW-DW
Period 4: Dated 2881
Long, long ago — way back some 307 years
In the 4th period of our existence was gatered together the magnificent 25. Guided by the Bostonian freedom lover who taught us the laws of our world
From Parliamentary Procedure to Hitler's dumb regime;
From the CCC and the NIRA to slippery oil dick and his golden Russian wheat game.
PS. Vote in 74 and 76
Period 6: Good luck to Anna and Gatling gun Barbara; the Boston Brahamin; the what what girl; La Bella Presidenta stupenda! "L"?!?
El Greco; Cha cha Shevchenko;
The singing porpoise; James Bondi 0075; Ward'em in and Veix 'em under the right wing; Roses are red, Jeanne's ahead; Koo is number two;
The Worman Tavernacle choir;
The gedettis Rangers and Manuel's smile will mow down any "AJ" Underhill roadblocks. "JQA all the way."
Period 8: DD; El Papa; the rock; Walter the wise; Joan of Hollywood; our girl friday; the mirmaid; Swift Sue; Big John; J. Edgar Hoover Tomevi II; Oh pelt 'em girl of the golden West; Senator Sam the man; our front and center gal; the Valkyrie; La Pasta will not spare his strike; and finally the benevolent dictator.
Lori D. and Dana B. forever
